# NEW

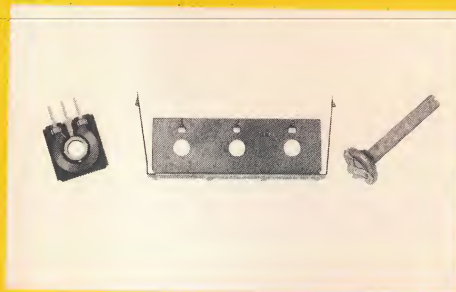

# STRIPTROL

Newest, most convenient replacement system for side-by-side controls

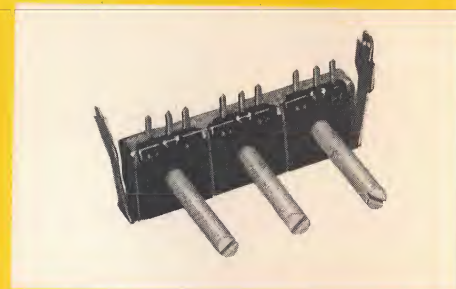

IRC's new Striptrol system is a real time and money saver. With it, you can do shop replacement of most of the side-by-side strip controls used in leading color and black and white sets.

Striptrol eliminates waiting for exact duplicates. Parts are easy to assemble. Low cost, too.

## JUST 3 PARTS...

## ASSEMBLE QUICKLY...

## TO REPLACE MOST ST

## STRIPTROL COMPONENTS

### ADJUSTORS

Out-the-front, out-the-rear, switch operating (color-coded)

IRC NO.	STYLE
A1	Out-the-front Adjustor
A2	Out-the-front Adjustor For Switch Operation
A3	Out-the-rear Adjustor

### ELEMENTS

different values and tapers
